

# Eventvoid.com

**Focus Statement:** We make an effort to give college students a comprehensive overview of all the events that take place on or around their campus. Find out which event is perfect for you by connecting with other students. Displays the available transportation alternatives, a map of the location and the safety precautions taken to provide the user with all the information they need to make a decision and have a wonderful experience.

## User needs:-

1. To understand how people find events using EventVoid.
2. To increase the website's student appeal.
3. Knowing which events are more appropriate for the user.
4. Aiding users in making connections with others to learn more about the event

## Target users:- College students and Young Adults

## Context of Use:- Web-based-Interface Application

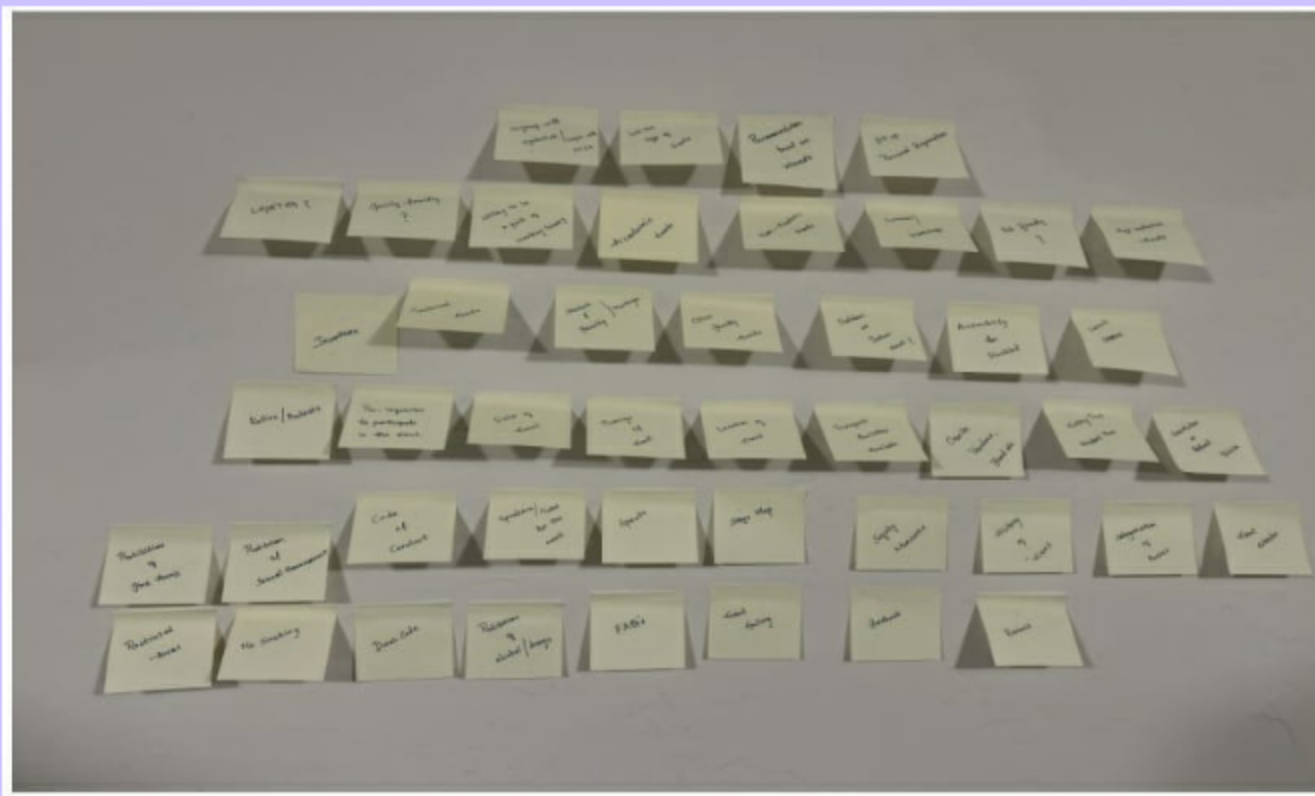

## Focus Group Profiles - 6 Participants

3× Computer Science Graduate Students

1× Undergraduate Computer Science Student

1 × Undergraduate Mechanical Engineering Student

1 × Software development Engineer

## BRAINSTORMING

## PERSONA 1

Name: Rahul Mukesh  
Designation: Masters student at university of Florida  
Employer/Professor: Un-employed  
Background: Computer Science Engineering  
Additional information:

- He is from India.
- He is an introvert.
- He doesn't have a personal vehicle.
- He lives in an apartment far away from the campus.

## SCENARIO 1

Rahul is invited to a college sporting event by one of his friends. He is not sure if he wants to attend, as he is feeling lazy and would rather stay at home. He uses the website to view the details of the sporting event, including the venue, date, and time. He can connect with other attendees and view their profiles, which helps him decide to attend the sporting event. He is surprised to find out that he has a great time at the event, cheering on his school and meeting new people.

BLACK HISTORY MONTH SK

Description

A Black History Month SK run is a one event that is held in February to commemorate and celebrate the achievements and contributions of Black individuals throughout history. This event provides an opportunity for participants to engage in physical activity while honoring and recognizing the significant impact the Black individuals have made on society. The Black History Month SK run can be organized by various organizations, including community groups, schools, and athletic clubs. The race can be held on a designated course, such as a park or a city street, and can attract participants of all ages and fitness levels.
